Dear Parent/Carer

Re: Calculators and maths packs

The efficient use of calculators is an integral part of mathematics teaching both at Key Stage 3 and Key Stage 4. Therefore, it is essential that all students have their own scientific calculator that they can bring to all maths lessons.

We are able to purchase calculators at the favourable price of £6.75 if we buy in bulk from an educational supplier in Oxford, and we recommend the Casio fx-83GT PLUS. You can order one through the Academy now so that your son/daughter has a suitable calculator when he/she starts at Abbey Grange in September. Alternatively you can order a maths pack that includes all maths equipment, a pencil case and a calculator for £8.

If you would like to buy a calculator/maths pack through the Academy, please pay via ParentPay using the login you have been provided with. If you order by Wednesday 19th July your son/daughter will be able to collect their calculator or maths pack on Tuesday 5th September. Any orders after this date can be collected week commencing 11th September.

Yours faithfully

J Martini
